AND REQUEST FOR NOTICE TO CREDITORS**

Martin E. Seifert, duly qualified Trustee of the above-captioned Debtor's estate, submits this inventory and report of property of the estate of the Debtor.

1. All of the non-exempt assets of the estate of which he is presently aware, together with approximate values (exact values for assets in the Trustee's possession), but with no value shown where valuation is problematical or possession disputed, are as follows:

- (a) Prorated portion of 2016 federal and state tax refunds - value unknown.
- (b) Annual bonus from employer, GM - value unknown

2. This inventory and report of property is made pursuant to Federal Rule of Bankruptcy Procedure 2015 and lists the property of the estate. Some of the property listed, or portions thereof, may not materialize into assets of the estate of sufficient value to economically reduce to cash.

3. Pursuant to Federal Rule of Bankruptcy Procedure 3002(c)(5), Martin E. Seifert, Trustee, requests that the Bankruptcy Clerk notify creditors that a payment of dividend appears possible in this case.
